Grand Knight's note:

Dear Brother Knights,

Mother's Day Rose sales were very good. We provided the three dozen roses for Father to give away at Mass and we even put a couple dozen of fresh roses on the Altar for Mother Mary. Thank you to the men that sold the flowers, put the dozen roses on the Altar before each Mass and a special Thank you to Dave Costantini for buying the roses and the second trip to the store for extra roses for the 11:00 Mass.

Some good news, Supreme Council has received our application for the Ultrasound Initiative and accepted it.

Taken from the letter:

Dear Brother Keough:

The Diocesan Evaluation form concerning AAA Pregnancy Resource Center in Livonia, Mi has been received and reviewed. Since David Grobbel, Associate Director of Marriage, Family and Pro-life Activities for the Archdiocese of Detroit has given this center a positive recommendation, we are pleased to advise that St. Priscilla Council 13731 has met the first requirement of the Knights of Columbus Ultrasound Initiative.

We are now allowed to begin the fund raising process. We can discuss next steps at this Sunday's meeting.

Our next event is hosting Coffee and Donuts in August. That is also our Membership drive so if there is a guy you think could help out the Knights of Columbus please start inviting him now. We need dedicated men willing to work for the Great Causes we have. We will have a sign-up sheet at the August meeting to cover all three Masses to set up and tend to the coffee and donuts. As well as man the recruiting table and work the crowd for new members.

Jim Rehlund is still in the hospital in critical condition it has been over a month. We need to continue to keep him and his family in our thoughts and prayers.

Vivat Jesus!

Glen

Ultrasound Initiative from Supreme Council

We are very lucky to have AAA Pregnancy Resource Center located so close to us. Their mission statement and what AAA stands for (Alternative Answers to Abortion) demonstrate that they are a perfect fit for this program.

At our next meeting we should discuss a plan for raising the \$14,000. We will need to team up with the other councils in Livonia and as Greg suggested, maybe even other Christian communities. This could be a great learning and growing experience for everyone involved. We might be able to develop some long lasting relationships and partnerships with other groups in our area. I think we should first start with the K of C councils, then to the Parishes that do not have a council, and then go to the other Churches in the area. We will need guys to volunteer to go to councils, churches, businesses and any other organization to ask for help.

This is the kind of stuff that Catholic Men **should** be working on. This project is something to be very proud of. We are putting our beliefs into action as Catholic men are expected to do. These small fights are where the battle against abortion will be fought and won. It is about changing the way people see and feel about the blessing of a pregnancy.
